

A Free Community Service
from Pop-A-Lock®

**Over 100,000 Children
Rescued Nationwide**

*Imagine accidentally locking your child in a vehicle. What would you do? Often, people panic and try to break the window, which can be dangerous to the child. However, there is a safe and fast solution: The Emergency Car Door Unlocking (EDU) Program. Created in 1990 out of Pop-A-Lock's drive to give more to the community, this **quick response service offers FREE unlocking when a child is in danger**. The safety of children will always remain the highest priority.*

With over 100,000 children saved to date, the EDU Program has become a vital assistance to communities, EMS, police, and fire departments nationwide.

“We bought the house of our dreams. Thank goodness Pop-A-Lock was able to be there the day we moved in to re-key our home.
—Chris H., Seattle, Washington”

“I can't thank everyone enough for the quick response and service at no charge. My two year old daughter never knew Mom locked her in the car. Thank you!
—Shelia S., Austin, Texas”
